

Do you want to study A level Maths?
Do you want to be fully prepared?

If so join us for a free summer school on
Monday 14th and Tuesday 15th August

Location: Bristol Cathedral Choir School,
BS1 5TS

Topics to be covered: indices and surds,
factorising and solving, trigonometry,
completing the square, graphs, arithmetic
sequences and a taster of an A level topic.

It doesn't matter where you are planning
to do your A level Maths, it is open to
everyone.

Places are limited so apply early using the eventbrite link:
